

GOOSE LAKE ROAD RECONSTRUCTION  
IMPROVEMENT PROJECT 20207

The reconstruction of Goose Lake Road between 109<sup>th</sup> Avenue and Goose Lake Parkway has been suspended until 2010. Placement of the final bituminous course and turf establishment are the work items that remain to be completed. This work will be completed by June 1, 2010. The road is open to traffic.

For more information, visit the County website at [www.hennein.us](http://www.hennein.us). Enter the project's title "Goose Lake Road Reconstruction" in the upper right corner of the website where it says keyword and then click "Go". Clicking the project's title search results should take you to the project website for additional information.
