

**2022 Elm Creek Parkway and Lakeside Tr/
Hillside Dr/ Parkside Tr Project**
City Project 22201 & 22202

Full Driveway Replacement Information

The City street contractor, Northwest Asphalt, for this project has indicated that they are not interested in completing full driveway replacement work. Below is a list of contractors that complete driveway replacements that you can reach out to for full driveway replacement quotes. We recommend seeking several quotes to compare pricing and scope of work. This is not an endorsement of these contractors and you may want to reach out to other contractors not on this list to obtain additional comparisons.

Concrete Driveways

Derek's Concrete and Masonry
952-217-7086
dhagene24@gmail.com

Eugene Construction

dmj@dmjasphalt.com

J&W Asphalt
952-800-9463
info@jwasphalt.com

Metro Paving
763-428-4121

If you choose to have a contractor replace your full driveway, the city will reimburse you based on the city contractor bid price of the driveway replacement required for the project after the work is complete. If your contractor's replacement costs exceed the city contractor bid pricing, the additional cost would be your responsibility. This work would not be subject to city contractor warranty. Reimbursement would be made after driveway work is completed. Coordination of the work and reimbursement can be made by contacting the project phone number or email below.

If you have any questions, feel free to ask the project inspector onsite, or call Champlin Construction Communications at (763) 762-2864 or email questions to ChamplinProjects@wsbeng.com.
